Clinical Center cafeteria:

Primary food option; can enter from outside (even though door signs say do not enter...). Prob 10+ min walk from Natcher.

West Gateway Center: another entrance visitors can use.

Food Trucks: Likely location of food truck options at bottom of circle driveway (may not be fastest opt?)

Gateway Center: Entrance for visitors at top of Medical Center Metro

Medical Center Metro portal

Bldg 45 (Natcher): Lecture venue (enter and go to lower level); cafeteria not open here :(

- ▬▬▬▬▬▬▬ a walk to Natcher from Gateway Center (~5 mins); go up stairs/elevator in Gateway
- - - - an exit toward Bethesda from Natcher (would need NIH badge to enter here)
